English Language Courses (EFL)

These courses are for non-native English speakers who want to improve their English language skills. The courses are offered at Beginners, Elementary/Pre- intermediate, Intermediate and Upper Intermediate.

Each level is carefully structured to help you:

- Improve your reading, writing, speaking and listening skills
- Develop your confidence to communicate in English in different situations (e.g. work, study, life in London).

Our teachers are very experienced and they use the most up-to-date materials and a variety of approaches to make sure that your classes are interesting, motivating and effective. Classes include group, pair and project work as well as computer-based activities. Each centre also has a fully equipped Learning Centre.

Number of hours per week

Full time English classes run for up to 16 hours. Part time courses are also available. As we agree a timetable to suit your needs, you will usually have more than one teacher.

Assessment

You will be assessed through regular homework during the course, as well as taking an end of course test. We are also able to offer an accredited ESOL Examination (English Speaking Board or Trinity) in December, March/April and July, if required.

Entry requirements

You must be aged 18 years or older to take this course. When you arrive at the College, you will need to complete a short test so that we can assess your level of English to ensure that you join a class that is right for you. For students applying from abroad or outside London this test can be taken online by arrangement.

Teaching sites

Our EFL classes take place at our Regents Park Centre in the heart of London. A unique opportunity to study English in one of the world's most iconic cities and experience first hand the culture and history it has to offer.

Class size

You will learn with students from different nationalities who have the same level of English. At the College, our maximum class size is 22, but the average number of students is 18 and some classes are smaller.

Course fees

Course fees include all tuition and full use of the Learning Resource Centres. Accommodation, transport and meals are not covered. Refunds may be considered if any of the circumstances outlined in the College's Refund Policy have been met.

Accommodation & airport pick up

We understand that accommodation is a very important part of any stay. Our international office will help students applying from overseas to find the right accommodation. We work in partnership with some accommodation agents to book accommodation depending on taste and budget: Apartment & House Shares from £255 per week (double room shared by 2 people, Zone 1), Homestays & Private Homes from £229 per week (single, Zone 4-5) or Halls of Residence from £279 per week (twin/ double room shared by two people, Zone 1). We can also arrange an airport pick-up. For further information or booking an accommodation, please contact the International Office via email International@capitalccg.ac.uk
